## Summary of Legislation

This bill clarifies who appoints members to serve on the Capital Development Committee (CDC) and modifies when chair and vice-chair elections are held in even-numbered years.

## Background

Under current law and rule, there is not clear direction about who appoints members to the CDC. Additionally, current law directs that CDC chair and vice-chair elections occur at the first meeting after a General Election in an even-numbered year, which may occur before new members are appointed to the committee ahead of the committee's annual budget hearings.

## Assessment of No Fiscal Impact

This bill is assessed as having no fiscal impact because it does not change the membership or staffing responsibilities associated with the committee.

## Effective Date

The bill was signed into law by the Governor and took effect on March 11, 2019
